The Lake District, also known as the Lakes or Lakeland, is a mountainous region and national park in Cumbria, North West England. It is famous for its landscape, including its lakes, coast, and the Cumbrian mountains; and for its literary associations with Beatrix Potter, John Ruskin, and the Lake Poets.

It is the largest of the thirteen national parks in England and Wales and the second largest in the UK.

The Logo

The logo is the most recognisable element of our visual identity.

The logo mark embodies our brand values. Nothing less, nothing more. It should be used to capture the essence of the brand. The following guidance will show you how to most effectively use our logo.
